

## Appendix A: original descriptions of criteria for application of category labels

Ethnic	Cultural, ethnic or national identity. Discussion of cultural groups of non-familial descent, larger than the immediate community. Racial identity has also been subsumed under this label
Gender	Identity based on gender or sexuality
General	Rest category, includes discussions of the concept itself, as well as ill definable uses
Group	Somewhat like 'general' but specifically discussing groups which are not otherwise specified
Lineage	Familial descent groups, but also age categories
Material	Identity that is tied to material or objects
Personal	Identity that emphasises the personal rather than the social, it is the individual that is emphasised.
Religious	Identity based on religion and ritual
Specific	A specific entity, sometimes with known name, is discussed, often in discussions of images or inscriptions
Status	Identity based on social standing, economic power or political office
Territorial	Identity that is tied to a place. 'Local' identity has also been subsumed under this label
