

Appendix iv: Pupil mathematical word problem solving task (Year 3)

**Workmen laid 106 m of pavement a day from Monday to Thursday and 100m on Friday. How many metres did they lay altogether in the week?** *(Y3: solve problems, including missing number problems, involving multiplication and division, including positive integer scaling problems and correspondence problems in which  $n$  objects are connected to  $m$  objects.)*

*Use this space to show your working out. You may use diagrams to help you.*
